C44 HIRE SCRUBBER DRIER LARGE 650MM 110V

Weekly Hire: £265.00

Numatics TT6650S is the ideal machine for big area floor maintenance. you will quickly realise that the larger size makes it no more difficult to control than its smaller counterparts., it can do up to 1000m2 per hour. Operation is simple and the machine handles like a dream! The big capacity 60 litre tanks mean that you can keep cleaning for longer. These are well complimented by the 650mm diameter scrubbing head that is trailed by a 970mm wide collection nozzle. The motor and power transmission design has been tried...
