

S20 HIRE LARGE DUST CONTROL UNIT SPE 316

Week Hire: £180.00

Use with most scabblers, grinders and blast machines to ensure that airborne particles are kept to a minimum for operator and environment protection.

60 LTR drop bin, external manual shaker, gives up to 8600cm² filtering, can be dismantled to fit into small vans, cyclonic suction gives better suction. Comes with a 5mtr hose which is kept in the drum and you can also hire a 600mm wide floor tool for waste removal off floor afterwards.

Just for heads up dust controls control the airborne dust and the heavy particles / debris left on the floor needs to be hoovered up with the floor
