# B40 HIRE MAGNETIC SWEEPER SPE 600MM

## Weekly Hire: £65.00

MINIMUM WEEKS HIRE ..This 600mm wide magnetic sweeper when used with our range of surface blast machines can help recover spent shot ready for reuse or to pre sweep prior to blasting to remove any contamination of metal particles that may block and cause damage to the blasting process. Can also be used as a magnetic sweeper for picking up nails etc although we have a magnetic nail bar for such use as weblink below.Hire Nail Bar
