B44 HIRE 12" BLAST MACHINE IMPACTS S320 11KW

Weekly Hire: £990.00

320MM WIDE CAPTIVE BLAST MACHINE C/W DUST COLLECT UNIT AND HOSEMainly used for the preparation of concrete floors but equally effective on steel surfaces. The machine is electrically driven forward...The dust collection unit as with larger machines has continuous reverse air jet filtration cleaning. Recognized in the industry as the modern fast versatile environmental dust free means to dry abrasive cleaning and texturing of horizontal or Slightly inclined surfaces. This eliminates mess normally associated with...
