D90 HIRE CONCRETE FLOOR GRINDER FOR COSMETIC GROUND FLOOR

Weekly Hire: £990.00

When polished concrete cannot be achieved the alternative is a cosmetic ground floor, this uses just the metal bond diamonds and only to the 50 grit trans resin pucks with the combination of suitable surface hardener such as ever build 403 to give a cosmetic looking concrete floor...prices can vary dependent on the "window of opportunity to grind" ..estimated prices for an area of up to 25m2 of recently laid floor to no more than c20 spec and has not had hard power-float finish or any chemical hardeners used or isn't...
