

DIAMOND GRINDING SHOE FAST FIX FOR OUR RANGE OF GRINDERS

Weekly Hire: £POA

New fast fix diamond shoe system for use with our range of FLOOR GRINDERS, fast fix plate allows the choice of diamond shoes or pcd shoes to be fitted and changed over by just a quick knock with a hammer. Depending on the machine they can be easily fitted and changed, so a set of 3 on a single head grinder is more aggressive than a set of six but a set of six leaves a better finish. our triple head grinders use set of 9 shoes and subject to a MOHS test range of grades are available to suit hard or soft surfaces
