E50 HIRE SCREEDEMON DRIVE UNIT ONLY PETROL POWERED

Weekly Hire: £150.00

The ScreeDemon SD4.....because not all portable wet screeds are designed the same/equal...The ScreeDemon is a highly popular, highly portable, highly versatile,highly productive and easy to use walk behind (pedestrian) petrol levelling and vibrating screed device that professes to “vibrate like hell on the business end, yet has very low hand arm vibration at the operator position”, and can be used without the requirement to run off supporting form work, and is a lot less labour/time consuming than other methods...
