

FS4 HIRE 450MM FLOOR SAW ELECTRIC WITHOUT WATER TANK CUTS 162MM 6.7"

Weekly Hire: £320.00

Will give a maximum depth of cut of 162 mm when using a 450 MM diamond blade. Ideal for inside work where petrol machines can not be used. A three phase / 415v 32amp 5pin Power supply is required to run this machine or a 20 kva generator - three phase leads also available in 15m lengths up to max of 4 leads , ..needs constant mains feed water supply from hose supply to prevent blade lock and damage to belts. DO NOT CUT MORE THAN 50MM EACH CUT TO PREVENT BLADE LOCK AND BELT DAMAGE
