WOLFF | Eine Marke der Uzin Utz Gruppe | D-71665 Vaihingen/Enz | Dieselstraße 19

Always wear ear protectors!

## 3.0 Safety instructions

Disconnect the power supply before any maintenance is carried out. Use only the recommended blades and ensure it is sharp before starting.

Maintenance should be undertaken only by qualified personnel. Use only genuine WOLFF spare parts. See supplementary sheet "General safety instructions"

### Transport

To avoid harm or danger, always remove the blade before transporting the machine.

Using this machine without ear protectors may jeopardize or harm your health. It may harm especially your ears and increase the risk of an accident.
